Advance Remittance of \$500 on the Band Concert Sent by Public Spirited Citizens.

THE HOUSE & HERMANN FUND

Was Swelled to \$337 80 Friday, and is Expected to Reach at Least \$750 Saturday.

Mayor Andrew T. Sweeney and Postmaster George Wise have acted on the suggestion of the Wheeling Opera House band as made public in yesterday's Intelligencer, and will take charge of the arrangements for the concert by the band on the evening of Tuesday, September 18, at Wheeling Park, the entire proceeds to be donated to the Texas flood sufferers.

Not only have Messrs. Sweeney and Wise agreed to assume the sponsorship of this function, but they have, with Mr. Paul O. Heymann, decided to anticipate the assured generous patronage of the concert by advancing the sum of \$500, which they will wire to-day to Mayor Walter C. Jones, of Galveston. This sum, the \$337.80 already forwarded by House & Hermann, and the taking of collections in the Catholic churches of the diocese of West Virginia to-morrow and the following Sunday, makes it assured that Wheeling contributes most generously to the afflicted people of the Texas sea-coast. It is likely that at least \$2,000 will go to the Texans from the good people of Wheeling.

For next Tuesday's benefit concert at Wheeling Park Casino, not only has the band donated its services entirely without charge, but the park association makes absolutely no charge for the use of the Casino. This generous action is fully appreciated.

The committee expects to have tickets on sale to-day. Yesterday, one gentleman informed Mr. Wise that he would take 100 tickets, and after paying his \$50 would hand the tickets back, so that they might be sold again. Other inquiries were made for tickets yesterday, aggregating about 300 tickets all told. The tickets will be placed on sale on the streets, and at the hotels and drug stores. Committees from the King's Daughters, Y. P. S. C. E., Epworth League, Baptist Young People's Union, Cathedral Society and other church and charitable associations will be requested to take the field for the sale of the concert tickets. Any of these organizations desiring to assume a part in this great work are requested to communicate with either Mayor Sweeney or Postmaster Wise.

The \$500 to be sent to Galveston's mayor to-day by the committee will go via the Western Union Telegraph, and Manager Tracy, of the telegraph company, has kindly agreed to mark the remittance "D. H."

The following committees have been appointed to sell tickets for the concert and dance:

Main street, from Twelfth to Sixteenth streets, and all business houses and manufacturing plants outside of the business districts—A. T. Sweeney and George Wise.

Main street, from Tenth to Twelfth streets—Fred Schwertfeger and H. C. Franzheim.

Market street, from Thirteenth to the creek—Will Gutman and George W. Lutz.

Market street, from Tenth to Thirteenth streets—James B. McKee and Peabody Tatum.

Chapline street—Guy R. C. Allen and John Abenz.

Water street, Twelfth and Fourteenth streets—H. F. Jones and Simon Parker.

Persons unable to see the committee can secure tickets at the postoffice.

Prof. George W. Delbrugge will act as door manager for the dance.

The expense of this concert will not be one cent, as the following contributions have been made:

Musie—Full Opera House brass band and orchestra.

Casino and Park—Wheeling Park Association.

Tickets—Intelligencer Publishing Co. Programmes—Wheeling Register.

BISHOP OF GALVESTON

Sends a Telegraphic Appeal for Aid to Bishop Donahue, of Wheeling—Collections to be Taken Throughout the Diocese.

Rev. Bishop Donahue received a telegram yesterday from Rt. Rev. Nicholas Gallagher, bishop of Galveston, Texas, asking aid for his stricken people. In response to the appeal, the Bishop has ordered a special collection to be taken up in all the churches of Wheeling on Sunday, September 16th, and throughout the rest of the entire diocese on the Sunday following. Rev. Edward Weber, Chancellor of the Diocese, is preparing a circular which will be mailed to the reverend clergy throughout the state, and a liberal response is expected. In Galveston there are three large English speaking parishes, one very large German congregation, and a goodly sized congregation of colored people. The hospital which was badly damaged is conducted by the Sisters of Charity, who also have a large orphan asylum. These buildings were all badly damaged, but Bishop

THE H. & H. FUND

Is Growing Rapidly, Friday's Contributions Amounting to Over \$822, and To-day's Grand Total is Expected to Reach \$1,200.

The contributions to the House & Hermann Texas relief fund poured in a generous stream all day Friday. For Thursday \$115 was reported, and Friday's total was \$822, making \$937 80 for the two days. It is thought that the total to-night will reach at least \$750.

All who can should certainly lend aid to this fund. Contributions Thursday started with a check for \$100 from Mrs. Harry C. Franzheim, one for \$50 from the employees of the Wheeling Pottery, one from Welcome Lodge, A. O. U. W., for \$20. The citizens of Glen Easton, W. Va., sent \$12.50. A check was sent yesterday for \$150.00 to Mayor Jones, Galveston. Another remittance will be made to-day. There are yet hundreds of citizens to be heard from. The donors have the satisfaction of knowing that the money is now doing its work of mercy at Galveston, and although much larger amounts have been sent from larger cities, it is a joy to know that with telegraphic aid the citizens of Wheeling were among the first to succor.

Last night Mrs. M. A. Woodward contributed \$500 to the fund, and Mrs. H. B. Irwin gave \$100.

All who wish to give small amounts may drop same in a box at House & Hermann's door. Go in to-day and do something to make next week a brighter one in Galveston.

THE HUB CLOTHIERS.

TIME is often
LOST

in making too great haste. Don't hurry. Visit other clothing stores, examine their styles and prices, then come here. By that time you'll have found what you don't want for a fall suit or overcoat and be ready to see what you do want.

Nowhere else will you find a quarter as large a stock of men's or boys' clothes.

Nowhere else will you find them made and trimmed as well.

Nowhere else will you be able to match the prices we name.
